**CLAIM AGAINST CHEMOIL ENERGY LIMITED**

---

The Board of Directors of Chemoil Energy Limited (the “**Company**”) hereby announces that a letter of summons issued in the Jakarta Utara District Court in North Jakarta, Indonesia has been served by Alexander Thaslim (the “**Claimant**”) on the Company.

In the summons, the Claimant has made allegations against six different parties, including the Company, and claims damages for material tangible loss of Rp 2,500,000,000 (approximately US\$250,300) and non-material intangible loss of Rp. 1,000,000,000,000 (approximately US\$100,300,000) in the aggregate from multiple defendants arising from the alleged loss of profits and loss of reputation in connection with potential business deals which Claimant alleges were improperly cancelled.

The summons was issued despite the fact that the Company has never entered into any binding agreement to complete any business deals with the Claimant. The Company firmly believes that the allegations are baseless and without merit, and an abuse of the judicial process. The Company intends to vigorously defend the allegations and will exercise all available legal remedies to oppose this meritless claim.
