### **Chemoil expands Singapore team**

**November 22, 2010**

Global marine fuel supplier Chemoil has welcomed a new Senior Credit Analyst at its Singapore office.

According to the company on Monday, Jason Lim will be overseeing the Asian region and will be working closely with all Chemoil offices.

Lim previously worked as the Analyst Team Leader for Lloyd's List Intelligence in Singapore.

He also worked with container shipping lines for a number of years prior to joining Chemoil.

His contact details are:

Telephone: +65 6880 8200

Direct Line: +65 6551 5259
