UPDATE ON CLAIM AGAINST CHEMOIL ENERGY LIMITED

Further to its announcement made on 18 September 2009, the Board of Directors of Chemoil Energy Limited (the “**Company**”) wishes to announce that the Jakarta Utara District Court in North Jakarta, Indonesia (the “**Jakarta North District Court**”) has issued its interlocutory decision in favour of the Company in the claim by Alexander Thaslim (the “**Claimant**”) against the Company and other parties.

The Jakarta North District Court accepted all preliminary objections submitted by the Company and various defendants and co-defendants, and declared that the Jakarta North District Court was not the competent court to examine and adjudicate the claim. The Claimant has been ordered to pay costs of Rp 5,201,000 (approximately US\$560).

The Claimant has filed his statement of appeal against the interlocutory decision of the Jakarta North District Court.

The Company firmly believes that the Claimant’s allegations are baseless and without merit, and an abuse of the judicial process. The Company intends to vigorously defend the allegations and will exercise all available remedies to oppose this meritless claim.

The Company will make further announcements of any material developments on this matter.
